The overall quality of teaching-learning process in your institute is very good.

196 responses

Give three observation / suggestions to improve the overall teaching - learning experience in your institution.

196 responses

1) Discussing all clinical questions that usually come in question papers with proper example and guidance to all students. 2) regular topics with short class tests after every topic .
3) well teaching of all the medical subjects in exam oriented pattern and enough knowledge.

Class timing can be modified so that students can attend classes with full energy.

Arrival of new books in library

Healthy and friendly interaction between students and teachers

The teacher could repeat the topic in a simpler language

1. Teachers should be more cooperative during clinical postings in some departments...

Revision classes can be taken
