**COURSE DESCRIPTION**  
The importance of effective communication in clinical practice has been highlighted in several reports. Medical Council of India (MCI) in its vision 2015 document recommended early integration of communication skills training into medical curriculum. This course has been established by GLOCAL Academy (UK) in collaboration with GVK EMRI, India to enhance doctor abilities to deal with various aspects of advanced communications.

The contents of the course has sound research evidence base by GVK EMRI & GLOCAL Academy (UK) and is delivered by faculty who are expert trainers from United Kingdom and India. Teaching techniques such as interactive small group exercises and role-plays form part of democratic, collaborative and participative learning environment. Participants will have hands on opportunity to practice skills and receive constructive feedback in a safe and supportive environment.

**Course Learning Objectives**  
Upon conclusion of this program, participants should be able to:

1. Increase awareness of own communication skills
2. Explore strategies to improve quality of clinical communication
3. Increase confidence in responding to difficult communication situations
4. Describe how an optimum healthcare team works together constructively and effectively
5. Enhance inter-professional communication
6. Monitor your communication skills and ensures that your negotiations are effective
7. Enhances leadership and management skills

**Intended Audience:**  
The intended audience for this course includes Specialists, Post Graduates, Private Practitioners, Academicians, Primary care doctors and Interns.

**Credit Hours:**  
The CME programme "Essential Soft Skills for Health Care Professionals" is accredited by the Andhra Pradesh Medical Council with 4 credit hours each on May 26 - 27 and May 29 - 30, 2015.

**Registration:**  
Registration is available online at [www.emri.in](http://www.emri.in).  
The registration fee includes tuition, electronic course syllabus, refreshments and lunches. To limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.
